Senior Content Writer

2019 — 2022

Three years inside the regional agency where I learned brand voice as a craft — drafting, defending, killing darlings. The room that taught me to write fast and edit faster.

THE BRIEF

What I walked *into*.

A working agency with a rotating roster of regional and global accounts. The mandate: deliver consistent, on-brand copy at agency speed without flattening the distinct voices each brand needed.

WHAT I DID

The shape of the *work*.

Held the senior writer chair across a mixed portfolio of F&B, lifestyle, and finance accounts.

Wrote and led the pitch decks that won several of the agency's largest mandates.

Set up the internal voice-guide library — one document per account, kept up to date.

Mentored the junior writing pool through weekly clinics.

RECEIPTS

Send the reel (drag to ~/Downloads + tell me) or paste the Instagram carousel URL, plus a one-sentence purpose and 2–4 outcome numbers. I'll wire it in and regenerate the PDF.

WHAT I'D DO DIFFERENTLY

The next *time*.

Push harder for editorial discipline at the agency layer itself. A voice guide per account is useful; a shared editorial standard across all of them would have changed how the agency operated, account by account.
