

	Shade Colour Code	Shade Title	Shade description	Ideal for 0 (All rooms)	Ideal for 1	Ideal for 2	Ideal for 3	Ideal for 4	Disclaimer
Yellow	3244	TEXAS YELLOW	Imagine a field of beautiful sunflowers that are in bloom. This paint colour, like the yellow on the petals of those sunflowers, represents the brightness and radiance one feels. You get the feeling of the summer season surrounding you. This is a joyful and invigorating colour that will motivate you every day. A shade that will look best in your living room, you can pair it with an off-white.		living room				The actual shades may vary from that in the product image.
Yellow	3244	TOBACCO BROWN	A tree and its bark make one feel one with nature. This is our inspiration for Tobacco Brown. It is a warm shade of yellow with light brown undertones. Depending on the light source or time of day, the paint colour makes one feel as a mustardy hue on the walls. Adorn the walls in your living room with this shade of yellow and complement it with soft pink hues.		living room				The actual shades may vary from that in the product image.
Yellow	3244	TULIP YELLOW	Everybody loves watching a beautiful sunset. You can bask in the warm, sunny glow of this rich, deep yellow paint colour. Like that unforgettable sunset you can't stop thinking about, which you shared with your loved ones. Drench your space in lovely golden tones with this hue. This colour will look best on the wall behind your TV set in the living room or bedroom. Adorn the adjacent walls with a white shade to enhance brightness.		living room	bedroom			The actual shades may vary from that in the product image.
Yellow	3244	VERMICELLI	A neutral shade with a hint of yellow. This paint colour brings joy to your homes without overcharging the space. For a finished look, pair this paint colour with gorgeous blues or navy. The Vermicelli paint colour is best suited for your lovely dining room to entertain your friends and family. The colour also works well in a bedroom or nursery.		bedroom	nursery	kids room		The actual shades may vary from that in the product image.
Yellow	3244	WAX YELLOW	A neutral colour that's soft, warm, and sweet. This shade brings a classic anchor to the room. The Wax Yellow is a creamy shade with a grey undertone and hues of yellow. Depending on the light source or time of day, it may appear as a creamy white shade on the walls. Elevate the walls in your bedrooms or your living room with this soft shade and hues of light green.		bedroom	living room			The actual shades may vary from that in the product image.
Yellow	3244	WHITE WINE	This shade achieves the stunning yellow-y hue that fills the sky as the sun dips below the horizon. Like that unforgettable sunset you can't stop snapping, it'll drench your space in lovely golden tones. This paint colour will give a subtle shine to your walls. Depending on the light source or time of day, it may appear as a light coffee on the walls. Bring life into your kitchen with White Wine and creamy tones.		kitchen				The actual shades may vary from that in the product image.
Yellow	3244	WINTER MOON	Crisp, bright, and a little bit sweet. This ethereal shade is a great neutral all-over tone and it brings warmth to any room of your home. A slightly muted shade that brings versatility to this confident combination of yellow and green.		living room	bedroom			The actual shades may vary from that in the product image.
Yellow	3244	XIRAPHA	For a beautiful look, pair this paint hue with black trim on an exterior or use it in a monochromatic scheme in a living room or bedroom.		living room	bedroom			The actual shades may vary from that in the product image.
Yellow	3244	YELLOW CUSTARD	Slightly sunny, yet perfectly subdued, this mellow hue is worth its weight in gold. It radiates a bright, sunny outlook and is awash with cheerful effervescence. Pairs well with honey-ed and deeper toned woods. It gives a subtle shine to your walls and creates an elegant historical statement in any room. Will look most elegant in a dining room when paired with white panelling.		dining room				The actual shades may vary from that in the product image.
Yellow	3244	AFRICAN QUEEN	This warm beige is a popular paint colour with yellow and olive undertones. A lovely all-over interior paint hue complements honey-ed or dark woods beautifully. The ideal paint hue for creating a modern and neutral backdrop in any room. This colour can be used as a backdrop in your bedroom or living room. To enhance the room and make it look stunning, pair it with wooden furniture.		bedroom	living room			The actual shades may vary from that in the product image.
Green	3243	AFRICAN QUEEN	A suggested serving of splendid colour. Get your daily fix with this mossy olive green that's the secret to a well-balanced space. For those who aren't afraid to bring the drama. This mysterious, moody green is intense and alluring all at once. Use this paint all over or as an accent wall for a deeply toned feel in your dining or living room. Use a lighter shade on the remaining walls for a soothing ambience.		dining room	living room			The actual shades may vary from that in the product image.
Green	3243	AL FRESCO	Where the sea meets the sky. A colour that feels like a permanent vacation. Like a sight from the shore, this tranquil blue with a hint of green is picture-perfect. This blue-green hue makes you feel like you're overlooking the Arabian Sea. Use this paint colour in your bedroom and pair it with off-white to keep the feeling light and airy.		bedroom				The actual shades may vary from that in the product image.
Green	3243	ALLEPEY GREEN	A dark, distinguished forest green that offers a hint of welcoming warmth. The traces of teal blue give this shade an enigmatic allure. It is a delightful colour and can be paired with lighter aqua or soft yellow hues. Pair this paint colour with coral and sandy tones in a living room. Perfect for an all-over colour and to highlight the artwork.		living room				The actual shades may vary from that in the product image.
Green	3243	ALPINE AZALEA	Because everyone deserves some downtime. A gentle, calm grey with a faint green undertone. Light, breezy, and soothing – the perfect cure to a long day. This beautiful colour is a lovely mid-toned aqua that is a bit more green than blue and would look perfect with a teal shade. A soft and luxurious mid-tone aqua, this paint colour works well as an accent wall or as a colour in a bedroom or a foyer.		bedroom	foyer			The actual shades may vary from that in the product image.
Green	3243	AMAZON TRAIL	A traditional forest green that adds a regal elegance to your space. Taking its cues from nature, Amazon Trail is an enthralling colour that evokes the fresh, energetic essence of the forest and its beings. This paint colour captures the shade of a naturally occurring green pigment that can inject a space with rustic elegance.		bedroom	workspace			The actual shades may vary from that in the product image.
Green	3243	AMPHIBIA	Use the Amazon Trail to experience a jungle feel in your bedroom or workspace. You can also pair this paint colour with lighter aqua for a restful experience.		bedroom	workspace			The actual shades may vary from that in the product image.
Green	3243	APHRODITE	A tranquil greenish-blue. This one ebbs and flows with natural light, like ocean waves rippling in the sun, bringing varied undertones to the surface. This light blue reminds us of cold waters, clear skies, and a stunning red carpet occasion that puts this heavenly blue colour in the forefront. A perfect colour for the ceiling or an outdoor setting paired best with taupe.		outdoor setting	ceiling colour			The actual shades may vary from that in the product image.
Green	3243	AQUA BELLE	Looks like summer, feels like freedom. This breezy medium greenish-blue paint colour captures the unadulterated joy of skipping work to spend a beautiful, sunny day outdoors. Paint this colour in a kitchen on the walls or the cabinets. Use it to create a space you truly treasure by pairing it with a soft off-white shade.		kitchen				The actual shades may vary from that in the product image.
Green	3243	AQUA CRYSTAL	With the Aqua Belle, you'll feel as if you're wandering through a field, filled with fresh grass blades. This blue-green is washed out and delicate, almost crystalline in appearance. Consider painting this colour on your bedroom walls to create an elegant and relaxing atmosphere. A soft pastel green with an irresistible sweetness that instantly enlivens a space. Will look best with yellow hues.		bedroom				The actual shades may vary from that in the product image.
Green	3243	AQUA FOAM	Like the many shades of the sea, this vibrant shade has an effortless charm. Thanks to hints of icy blue and green undertones, this shade sets up a cheerful tone. Graphic flower artwork can be used to add interest. Use this paint colour on all four walls of your foyer or living room for an immersion in tropical splendour. Pair it with lighter shades of a gold colour.		foyer	living room			The actual shades may vary from that in the product image.
Green	3243	AQUAFRESH	Wake up to tranquillity with this softly tinted shade that has both traditional and contemporary charm. This colour, a gentle pastel with a hint of blue, looks great in a tropical setting paired with shades of green. The colour is subtle and pleasant making it ideal for an interior or exterior coastal hideaway. For a fun playroom, select this colour and watch your kids have the time of their lives.		kids room	playroom			The actual shades may vary from that in the product image.
Green	3243	ASPARAGUS	Beautiful sage green with a slight hint of blue which makes it a perfect combination and shows off a highly confident sense of style. Depending on the light source or time of day, it may appear as fern green on the walls. This mid-tone blue-green hue is ideal for a master bedroom or an ocean theme for a child's room mixed with a light white shade.		bedroom	kids room			The actual shades may vary from that in the product image.
Green	3243	AYURVEDIC HERB	Colour so rich it almost seems to glimmer. A graceful green to celebrate your friends and family in your home. Synonymous with timeless elegance, this colour oozes sophistication. Reclaim and upgrade any furniture with this paint colour. This shade will look beautiful as a bedroom or kitchen tone. You can pair this paint colour with white or soft silvery-grey accents as well.		bedroom	kitchen			The actual shades may vary from that in the product image.
Green	3243	BALSAM	A wonderful colour that will give you the impression of having your own little herb garden in your home. You are guaranteed to feel fresh and lively. The Ayurvedic Herb is an elegant blue-green paint colour that is a welcoming colour for any room. Contrast this hue with neutral tones of tans that exude the texture of sand in your bedroom or workspace.		bedroom	workspace			The actual shades may vary from that in the product image.
Green	3243	BAY LEAF	A beautiful sage green colour with a slight hint of blue that makes this a perfect colour for a restful room, bedroom, or stunning bathroom. Use this as an accent wall colour in a lighter sage living room or dining room and watch your room come to life. Pair the Balsam paint colour with off-white painted trim or use it with honeyed woods.		living room	dining room			The actual shades may vary from that in the product image.
Green	3243	BEACH PEA	Do you enjoy being in the woods, surrounded by lush greenery? This calm and sensuous mid-tone blue-green shade is ideal for a nature-inspired bedroom. Bay Leaf is a green colour that lets you experience a glossy tint as you've never felt before. You can select this colour for your master bedroom along with a coral hue and pink paint colours as accents.		bedroom				The actual shades may vary from that in the product image.
Green	3243	BEAUMONDE	Lightly muted, this green hue offers unexpected sophistication. Just the right shade, with hints of yellow to lighten. It brings your mind to lush gardens of springtime lilies, sprinkled with morning dew. The Beach Pea also has a minty undertone. Depending on the light source or time of day, it may appear as the colour of a shamrock shake on the walls.		kids room				The actual shades may vary from that in the product image.
Green	3243	BIG SPLASH	This delightful mid-toned green paint colour is quite fun for a children's room. You can choose shades of gold to bring life to the room and make it cheerful.		kids room				The actual shades may vary from that in the product image.
Green	3243	BITTER LIME	This verdant green conveys health and wellbeing. This shade is not your typical garden variety green, this one adds punch to your decor and brings the outdoors in. Use this paint colour as an overall room colour or as a trim colour for deeper greens and green-toned aqas.		kids room				The actual shades may vary from that in the product image.
Green	3243	BIG SPLASH	For a fun playroom, you can select the Beaumonde colour and add gold tones for contrast in the accessories or furniture.		kids room				The actual shades may vary from that in the product image.
Green	3243	BIG SPLASH	Make a statement with the Big Splash. A shade that is tart, fresh-squeezed, and delightfully refreshing on a warm summer day. You can feel a crisp, minty green hue that will instantly buoy up any space. This light colour is an uplifting tone for a bedroom or nursery. Add white painted trim and soft coral accents to brighten up the space.		bedroom	nursery	kids room		The actual shades may vary from that in the product image.
Green	3243	BITTER LIME	Equal amounts of lemon and lime come together in this bold chartrreuse. A cheerful, refreshing, and light lemon-ey yellow with hints of green, inspired by the favourite summer drink. Use it to create a space you truly treasure. Use this paint colour as an all-over exterior description tone or on all walls of your kid's nursery for a rich and happy Charleston look. It will look best along with shades of aqua.		nursery	kids room			The actual shades may vary from that in the product image.

				Plunge 100 feet down into the deep blue sea. Indulge in the feeling of swimming amongst fish. This bold, sophisticated blue hue features a hint of green undertones. Depending on the light source or time of day, it may appear as a vivid green on the walls. This delightful green paint colour is quite fun for a children's room. You can add soft yellows to lighten the surrounding walls.							The actual shades may vary from that in the product image.
Green	3243	BLU-GREEN		An enchanting dark green with a hint of teal. The golden tones of this colour give this deep green a sunbaked glow. Depending on the light source or time of day, it may appear as fern green on the walls. This beautiful colour is excellent in a dining room, kitchen, or as an accent wall colour in a game room or study. Pair this paint colour with white painted trim for an extra curb appeal.			kids room				
Green	3243	BOLD GREEN		A most beautiful shade for a lovely night's sleep and to wake up to a good morning. The colour green conjures up images of lush underwater landscapes. This deep golden algae-toned colour works well as an accent wall colour in your study. Lighter cream tones complement the paint colour and provide a soothing and meditative atmosphere. Surround your favourite books or artwork with this elegant Bombay Green paint colour.			game room	workspace	study room	dining room	The actual shades may vary from that in the product image.
Green	3243	BOMBAY GREEN		A green shade that glows with positive energy. This paint colour represents a warm, welcoming hue that brings to mind a peaceful cornfield illuminated by the bright and sunny Sun. This misty green paint colour works well as a primary wall colour in a bedroom. In essence, use lighter tans and creams to keep the look light and breezy.			study room	workspace	library		The actual shades may vary from that in the product image.
Green	3243	BOTANNICA		A lush, bright green that stirs the senses, instantly conjuring the invigorating aroma of sage or the savory bite of rosemary.			bedroom				The actual shades may vary from that in the product image.
Green	3243	BOTANY		This paint colour is a sharp, spirited shade of medium green and quintessentially bright. Use this paint colour in a dining room or bedroom for a lovely touch of green and pair it with hints of blue.			dining room	bedroom			The actual shades may vary from that in the product image.
Green	3243	BRILLIANT GARNET		A spirited green shade that conveys a whimsical, carefree feeling. This tropical fresh green paint colour is an excellent colour for a sunny exterior. Pair this shade colour with white painted trim and a front door of deep coral for extra appeal. This lovely complex grey green paint colour can be used on all four walls of your bedroom. Use a lighter shade on the ceiling for a soothing ambience.			bedroom				The actual shades may vary from that in the product image.
Green	3243	BURNISHED GREEN		A classic green with sharp, pronounced tones. Coloured by a touch of blue, this off-white hue introduces a subtle yet radiant glow to any room. A lovely mid-toned green colour, this lucky shade is perfect for all walls in use as a bedroom paint colour. Contrast the tone with white painted trim and soft cream furnishings. You can also highlight it with darker charcoal furniture and accessories.			bedroom				The actual shades may vary from that in the product image.
Green	3243	BY THE PARK		This gentle colour is distinguished by a smidgeon of chilly green. It's a clean white shade that has a brilliant blue hue to it. This green paint colour is ideal for a beautiful dining area or living room. You can also combine this paint colour with off white and modern metal and glass finishes.			dining room	living room			The actual shades may vary from that in the product image.
Green	3243	CACTUS PETE		Perfectly balanced between blue and green, bold and muted—this mid-tone offers many design possibilities. In this light shade, a smidgeon of pistachio green shows through. Bring the outdoors into the kitchen by adding this nature-inspired green. It's also a terrific colour for a bright and cheerful bathroom or laundry area. To soften the impact of this vivid colour, pair it with off-white painted trim.			bathroom	laundry room			The actual shades may vary from that in the product image.
Green	3243	CAPULET		A universal favorite, this soft and airy blue-green hue brings a sense of calm to any space. Imagine a brisk ocean breeze coming off this perfect shade of bluish teal to put you in the moment! Use this paint colour in a kitchen or craft room, even a sunny breakfast nook to bring in a feel of nature. You can also pair this paint colour with white painted trim.			kitchen	dining room			The actual shades may vary from that in the product image.
Green	3243	CARDAMOM		A refreshing sea blue splashed with a hint of green. A colour that feels like a permanent vacation. Like a sight from the shore, this tranquil green with a hint of blue is picture-perfect and lets you reminisce. This paint colour works beautifully on all four walls of your balcony or living room. Choose a slightly lighter colour for the ceiling and trim with off-white.			balcony	living room	ceiling		The actual shades may vary from that in the product image.
Green	3243	CARIB GREEN		An enigmatic shade of teal that echoes the understated grandeur of the ocean. An intense—almost unreal—shade of blue-green, this unique hue conjures images of mythical sea creatures. It is a bold teal hue punctuated with an extra dose of colour. This lovely colour is beautiful in a bedroom suite or nursery. You can add pale pink accents and trim with white.			bedroom	nursery	kids room		The actual shades may vary from that in the product image.
Green	3243	CARPET GRASS		This blue-green is bright and crisp, and it reminds one of a great picture-book snowfall. A stunning turquoise green that shimmers like grass and brings life to any area. This gorgeous colour is ideal for a summer look. Decorate a dining room or sitting space with this piece. This paint colour can also be combined with off-white painted trim.			living room	dining room			The actual shades may vary from that in the product image.
Green	3243	CASSIDY		A balanced, easy-to-use blue-green with irresistible charm. The paint colour is intensely rich with green undertones, and its unique hue inspires a fun, festive mood. This is a great paint colour to use in a kitchen or breakfast area. You can pair this shade with any wood or also use white painted trim for an elevated feel.			kitchen	dining room			The actual shades may vary from that in the product image.
Green	3243	CASSIOPPE		Crafted using the pigments of blue, green, and white, this graceful and beguiling shade sparkles with a touch of teal. This fun and flattering shade has a graceful, vintage quality. Light and neutral hushed jade, this paint colour will look best in a nursery or bedroom. You can apply darker shades of green paired with violet paint colour accents to enliven the space of your choice.			nursery	bedroom	kids room		The actual shades may vary from that in the product image.
Green	3243	CASURINA		This fresh, light green with hints of blue definitely reminds us of cool waters, cloudless skies, and a magical red carpet moment that put this heavenly hue in the spotlight. Use it when painting a bedroom or bathroom for a fresh and happy décor. A light hint of blue sets this paint colour as a restful and surprising room tone to inspire upliftment and vision. Pair it with shades of blue and gold.			bedroom	bathroom			The actual shades may vary from that in the product image.
Green	3243	CELERY		A tropical-inspired green with a fresh yellow tint. It is a fantastic shade of green that creates a distinct fashion statement. A one-of-a-kind colour that exudes calm assurance. A shade that would look lovely in a bedroom or nursery as its subdued tone lends a sense of calm. The Celery paint colour also looks great with white or reclaimed grey-toned timbers.			bedroom	nursery	kids room		The actual shades may vary from that in the product image.
Green	3243	CHAI LATTE		Dark pea green with golden undertones. The deliciously full-flavoured Chai Latte colour fills everything with spice and warmth. Its dusty pea green paint hue looks well in a place where meditation is practised or in any room that aims to achieve zen. This warm paint colour also makes a statement or works well as an accent wall colour in a dining area. Likewise, it works well as an exterior trim colour when combined with light green tones.			dining room	meditation room			The actual shades may vary from that in the product image.
Green	3243	CHANTILLY LACE		A sprightly light green scented with a hint of blue. This graceful shade of colour drenches your room in a soft, silky glow. Up the charm of your home with this paint colour that sets a playful mood. This paint colour is lovely for a seaside-feeling bedroom or bath. Add white painted trim, or cor rug and soft corals as accent colours.			bedroom	bathroom			The actual shades may vary from that in the product image.
Green	3243	CHARTREUSE		A light, breezy tone of medium green that easily conjures up images of the holidays. This calm and pleasant green paint hue is inspired by gardens. For an uplifting natural feel, add this colour to your closet or bathroom. A nice pastel with just the right amount of green paint colour that is ideal for seaside or southern décor. Bring out the appeal of the room further by pairing Chartreuse with tinges of cyan.			bathroom	closet			The actual shades may vary from that in the product image.
Green	3243	CHILLED DACQUIRI		An almost white that is softly shaded with crisp blue and green tones. This shade is a muted and neutral colour with creamy undertones that would make an excellent main wall choice for a relaxing bedroom. Create a modern environment in your space with white painted trim and accessories. You may also add hints of pink paint colours and peach tones to create a more visually appealing effect.			bedroom				The actual shades may vary from that in the product image.
Green	3243	CHINA JADE		A vibrant green that conjures up images of enchanted faraway lands. An intense blueish-green resembling the surreal hues of a coastal lagoon. This colour is unearthly and would look great in a bright, playful space. For an earthy look, use this paint colour as an invigorating shade in a living room or a bar. Graphic artwork portraying florals can be used along with peachy shades to create aesthetic interest.			living room	bar			The actual shades may vary from that in the product image.
Green	3243	CHLOROPHYLL		In terms of its cheerful natural appeal, this luscious green paint hue is almost perfect. A vibrant, pastel green that evokes feelings of well-being and cheerfulness. This light green paint colour would look nice in a kitchen or breakfast nook. For a sweet and sunny mealtime, use it in a dining room. Furnishings and accessories in darker charcoal tones can be used to draw attention to the space.			dining room	kitchen			The actual shades may vary from that in the product image.
Green	3243	CHOKOS GREEN		This one-of-a-kind tint, a lime green with a tinge of brown, creates a welcoming atmosphere. The Chokos Green is dark and earthy, capturing the characteristic colour of grape leaves. This sophisticated tan can completely change a space. Use as a main wall paint colour in your bedroom or living room, and accent with periwinkle blues for a distinctive look.			bedroom	living room			The actual shades may vary from that in the product image.
Green	3243	CHRISTMAS HOLLY		The most wonderful time of the year can now be enjoyed all year. A luscious green that adds a traditional anchor to your space. This vivid green colour is muted with a dash of brown and has a nostalgic vibe to it. Apply this hue to your dining area for a transitional dining experience. This shade also looks great with chocolate brown accessories.			dining room				The actual shades may vary from that in the product image.
Green	3243	CITRON		An entrancing emerald green with a sheen that almost shimmers. This opulent and slightly unconventional shade of green adds a layer of attention-seeking flair to any area. The Citron paint hue is joyful and well-used in a spa-like bathroom or in a sunroom since it is vibrant yet relaxing and understated. You can also use it to offer a quick and uplifting allure to any room by pairing with green accents.			bathroom				The actual shades may vary from that in the product image.
Green	3243	CITRUS SQUEEZE		This light shade of green has a relaxing aspect thanks to a touch of yellow. This is a paint colour that has the ability to instantly brighten and relax a room. This gold yellowy-green paint colour has an antique look to it. It goes well with rusty earth tones and vintage treasures. Try it out in your kitchen or on your balcony.			kitchen	balcony			The actual shades may vary from that in the product image.
Green	3243	CONIFER		A classic that never goes out of style, this beautiful hybrid blue pairs a hint of Prussian blue with a gray base paint. This paint colour is elegantly rich and deep with hints of blue creating a mystical accent wall colour. It is a delightful colour for an exterior front door or your balcony and looks best when paired with lighter aqua or soft yellow exterior description.			front door	balcony			The actual shades may vary from that in the product image.

Green	3243	COOL GRASS	A fresh green colour that reminds one of a meadow in early spring. This green shade is not afraid to stand out and works well in bringing a summery and natural touch to any place. A timeless colour with just the perfect amount of vibrancy.						workspace	kitchen		The actual shades may vary from that in the product image.
Green	3243	COOL ICICLE	Pair this paint colour with soapstone and off-white cabinetry in a craft room or in your kitchen. A mist of blue adds mystery to this unique hue of green. The Cool Icicle shade is mid-tone and perfectly calibrated between blue and green, bold and muted, and offers limitless creative options. Utilise this light paint colour on the main walls of your bedroom or living area to produce a clean and crisp appearance. Gold tones can also be added to provide contrast in accessories or furniture.						bedroom	living room		The actual shades may vary from that in the product image.
Green	3243	COOL POOL	This rich Cool Pool paint colour is casual and carefree, with a dash of confidence. It adds a pop of colour to any room, making it feel like you're at the poolside, exuding a lighthearted & easygoing vibe. Add a touch of light violet purple paint colour tones to this gorgeous relaxing green in your favourite space like a reading nook or the dining room. Match it off with white paint and add a splash of coral to the accessories in the room.						workspace	dining room		The actual shades may vary from that in the product image.
Green	3243	CORSAGE	A lovely and attractive colour that has an elegant, vintage vibe to it. This beautiful and bewitching shade sparkles with a touch of freshness, created using the pigments of blue and white. A well-grounded green adds a splash of colour to any space.									The actual shades may vary from that in the product image.
Green	3243	CORSAGE	This vibrant mint green paint colour is ideal for a child's room. Shades of corals may add a splash of colour to your decor while also bringing harmony.						kids room			The actual shades may vary from that in the product image.
Green	3243	CRISP GREEN	A muted aloe tone that soothes and stimulates. The Crisp Green paint colour will make you feel at ease and connected to nature. This is a green-blue shade that would be perfect for a jungle theme for a kid's room. Gift them with a pleasant morning, each morning. You can also choose corals and pink paint colours as accents in this room.						kids room			The actual shades may vary from that in the product image.
Green	3243	CROQUET	An effervescent mint green colour that is vibrant but not overbearing. Croquet is the go-to paint colour for creating instantly calming spaces. It evokes the organic beauty of freshly cut grass and the scent that follows, making it visually appealing. Excellent paint colour for a kitchen or breakfast nook. It is also suitable for application in a dining room for a sweet and sunny mealtime. Combine with a white shade for a fresh, clean look.						kitchen	dining room		The actual shades may vary from that in the product image.
Green	3243	CUCUMBER SALAD	This mid-tone, perfectly calibrated between blue and green, bold and muted, offers limitless design options. It provides you with a pristine feeling and allows you to feel a sense of serenity flow over. Along with a unique hue, it exudes cool confidence and adds a delicate glow. It's a beautiful paint colour for creating a cheerful atmosphere in a kitchen, dining room, or bedroom. Looks best with gold hues or wooden furniture.						kitchen	dining room	bedroom	The actual shades may vary from that in the product image.
Green	3243	CURRENCY	Crisp yellow and green tones come through in this light, refreshing hue. A shade of green similar to what you'd see on the golf course and just as nice to look at from your balcony. It's a lively colour that quickly gives off a joyful mood. Currency is a great paint colour for your balcony or as an accent wall in your bedroom. Pair it with brighter shades of green.						balcony	bedroom		The actual shades may vary from that in the product image.
Green	3243	CURRY LEAF	Green with golden undertones that is rich and herbaceous. This hue is confident and playful, with a charming, vaguely retro quality. It conjures up images of lush gardens of springtime lilies sprinkled with morning dew. Choose this lively yet muted green paint colour for a cheerful girl's room. For a fashionable space, combine this paint colour with charcoal greys and pops of pink.							kids room		The actual shades may vary from that in the product image.
Green	3243	CUT GRASS	A crisp, minty green that can instantly buoy a space. It has a sharp, bright hue that captures the refreshing energy and the spirit of grass. This paint colour will look most elegant in a spa-like bathroom or your bedroom. Add white painted trim to your furniture to bring in the feel of nature. You could also match the Cut Grass paint colour with soft grey or white cabinets.						bathroom	bedroom		The actual shades may vary from that in the product image.
Green	3243	CYPRESS GREEN	The Cypress Green is a rich green hue with an adventurous character. It has golden undertones and exudes a soothing, earthy vibe. A deep, beautiful green that would look great in a dining room or study. This lovely shade can be used to surround your favourite books or artwork. It will also look great with dark-toned woods and crystal lighting.						dining room	workspace		The actual shades may vary from that in the product image.
Green	3243	CYPRESS PINE	The Cypress Pine has a piercing green hue with a hint of blue. It is a beautiful colour, with a rich velvety shade and components of teal highlights. The colour is ideal for a dining room or as an accent wall colour in a game room or your workspace. For a modern look, pair this paint colour with dark-toned woods or white painted trim.						dining room	workspace	game room	The actual shades may vary from that in the product image.
Green	3243	DACQUIRI ICE	Anchored in nature, Dacquiri Ice with a green hue promotes a sense of comfort, regeneration, and rejuvenation. It gives a verdant touch to any room. This is a lovely and rich paint colour for an exquisite tropical feel. Use the Dacquiri Ice in a dining room or bedroom for a lovely touch of green with a hint of blue. It will also look best with golden decor.						dining room	bedroom		The actual shades may vary from that in the product image.
Green	3243	DARK OLIVES	For those who aren't afraid to bring the drama. A mysterious, moody green that's intense and alluring all at once. The Dark Olives paint colour looks best when used alone and on walls and woodwork, or when combined with a darker neutral shade to bring out the deep sage notes. Dark Olives will look best in your home's prayer room or foyer. Best when combined with darker furniture and accessories.						prayer room	foyer		The actual shades may vary from that in the product image.
Green	3243	DEEP RAVINE	Deep Ravine is strong but subdued paint colour. It offers a contemporary alternative to charcoal shades for modern homes and makes for a warm and welcoming atmosphere. Deep Ravine is a deep, shaded, verdant green with a brown undertone. It is the perfect paint colour for a mystical accent wall in your living room or guest bedroom. Pair it with off-white trim for a standout expression.							living room	guest bedroom	The actual shades may vary from that in the product image.
Green	3243	DEEPEST EMERALD	Happy and lively at first glance, Deepest Emerald retains a reassuring feel and underlying elegance when used in your home. A rich blend of pigments allows it to feel more vibrant when teamed with lighter tones than with darks, and it takes on added vitality when combined with magenta, coral, or gold accents. The Deepest Emerald is the perfect paint colour for a bright seating area like your living room or your laundry room.							living room	laundry room	The actual shades may vary from that in the product image.
Green	3243	DELICATE GREEN	Delicate Green is a masterclass in colour combination, a green-grey oozing soft with sophistication. It's light enough to take the place of a neutral, with the green for character and the grey to keep things cool. It has a smooth matt finish that gives your walls a velvety smooth feel. It is particularly suitable for a kitchen, bathroom, or a balcony area. Pair it with deep cherry wood furniture or a tinted light green shade.						kitchen	bathroom	balcony	The actual shades may vary from that in the product image.
Green	3243	DELOVELY	A light green paint colour that soothes and comforts, it takes your decor back to the nature. There's grey and yellow in the base, so it's got a cool but bright edge, with a crisp matt finish to smooth everything out. Delovely colour works well on woodwork and even on your ceiling, or as a highlighted wall in your master bedroom. Pair it with warm reds and earthy tones of gold for a stunning decor.						ceiling	master bedroom		The actual shades may vary from that in the product image.
Green	3243	DERMANTOID	Dermantoid is a special, rich shade that is perfect for spaces that need a bold injection of colour. This paint colour has a light-bouncing and room-energizing kind of energy and also has a soft, fresh, and cool light green hue. Pair Dermantoid with deep rustic corals for a nature-inspired look or with off-white trim. It is a perfect paint colour for a dining room or sitting area.						dining room	sitting area		The actual shades may vary from that in the product image.
Green	3243	DONNEGAL	Donnegal is a saturated, pure, glowing emerald green with a jungle green undertone. Not quite a pastel, this welcoming shade is fresh and grounding and gives a pop of colour to any room. It is a perfect paint colour for an accent wall or all the walls of a dining room to inspire healthy eating and restfulness. Pair Donnegal with magenta and/or light cream shades.						dining room			The actual shades may vary from that in the product image.
Green	3243	DRIFTING GREEN	Drifting Green isn't just a seafoam green. It's a cool-but-not-too-cool seafoam green with plenty of modernizing white and grey in the base, plus a crisp matt finish perfect for smoothing out any imperfections on your walls for an ocean of even coverage. Drifting Green is a perfect paint colour for a nursery or bedroom. Pair it with white trim and creamy furnishings for a cloud-like feeling.						nursery	bedroom		The actual shades may vary from that in the product image.
Green	3243	DRIZZLE	As easy as a Sunday morning. Drizzle is a great antidote to a long day because it's light, airy, and calming. The golden grey base in Drizzle makes the paint colour warm and comforting. The grey blend behaves like a soft neutral. Pair this shade with lively pinks. It's an excellent paint colour for brightening up any space. Ideal for a kid's room or a laundry room.							kids room	laundry room	The actual shades may vary from that in the product image.
Green	3243	DUSTY GREEN	The green that goes with everything. Like the extravagant spices you drizzle to elevate a dish, it's the essential ingredient that pulls a room together.									The actual shades may vary from that in the product image.
Green	3243	DUSTY GREEN	Dusty Green is a dark, subdued, grassy green with a foliage undertone. It's the ideal paint colour for a home office or a game room. Pair Dusty Green with earthy reds for a touch of nature.						home office	game room		The actual shades may vary from that in the product image.
Green	3243	EDEN GARDENS	This mid-century modern green is a darker version of the much-loved colour, Olive. Eden Gardens is perfect for those who want to embrace a stronger shade in their home. Its sober tone creates rooms that feel calm and serene - especially when combined with soft pinks and browns. Pair Eden Gardens with deep rustic corals for a nature-inspired look.						guest room	exercise room	laundry room	The actual shades may vary from that in the product image.
Green	3243	EFFERVESCE NCE	Effervescence is a subtle, green-toned, off-white paint colour that feels natural and gives a beautiful contrast to darker shades of green and earthy colours. The paleness of this colour gives it an airy quality, also making it complement rooms nicely. Effervescence is a perfect paint colour for a guest bedroom or a spa-like bathroom. Pair it with violet accents to enliven the space of your choice.						guest room	bathroom		The actual shades may vary from that in the product image.
Green	3243	EGYPTIAN GREEN	Traces of teal blue give this deep, dark green an enigmatic allure. Give your house the herb garden treatment with our Egyptian Green paint colour. This richly pigmented tone can be used to create bold and dramatic spaces as well as intimate and enveloping rooms. Also refreshing as an accent wall colour in a bedroom, or foyer, this welcoming shade brings soft good nights and bright good mornings. Pair the Egyptian Green paint colour with deep-toned woods and crystal lighting.						bedroom	foyer		The actual shades may vary from that in the product image.
Green	3243	ELFIN CAPE	Elfin Cape, a fun and organic shade of colour, will chase the blues away. This welcoming shade is fresh and grounding, but it's not quite a pastel. Elfin Cape is a neutral shade that is sweet and minty, making it a great choice for a bright and sunny kitchen or a delightful laundry room. This paint colour looks great with soft grey or white cabinets, or natural off-white shades.						kitchen	laundry room		The actual shades may vary from that in the product image.
Green	3243	ELFIN MAGIC	A stylish shade of green with versatile lighter undertones. Use this shade to experience a hint of a garden in your home, with a bluish-masked matt finish as crisp as the leaves underfoot. Slightly avocado-toned, Elfin Magic is a great paint colour to use in a kitchen or breakfast area like your dining room. Pair this paint colour with any wooden furniture or use white painted trim for a refreshing feel.						kitchen	dining room		The actual shades may vary from that in the product image.
Green	3243	EMERALD FOREST	The rich tone of Emerald Forest has an energizing feel that will balance out any warm neutral shades. With a tropical appeal, this bright mid-toned green has a delicious hint of blue and works beautifully in any space as an accent wall colour. Try the Emerald Forest as a lively guest bedroom or a stunning front door paint colour. Looks best when paired with lighter exterior colors.						guest room	living room		The actual shades may vary from that in the product image.

			ENGLISH CUCUMBER	A shade of grey and green undertones. A calming colour for home offices, or rooms that need a balance of warmth and freshness. English Cucumber is a perfectly balanced shade that works in any space where it adds both freshness and warmth. English Cucumber colour is perfect for a craftsman-style living space. Pair it with lighter yellows and rusty reds.								The actual shades may vary from that in the product image.
Green	3243		ERIN	Erin is a distinctly cool, highly green-tinted shade with a lot of brown undertones in it. This paint colour is perennially popular because it's so versatile. With a warm, dusty umber tone with yellow and hints of green, this sophisticated dark grey paint is appropriate for creating a welcoming and classic feel. Use Erin in your home office or a library room and pair it with natural wooden accessories.		home office	bedroom					The actual shades may vary from that in the product image.
Green	3243		ESSENCE	A soothing, classic green that is both invitingly serene and comforting. When used inside, Essence's rich nature creates a sense of natural environment. It has an earthy feel to it, but it's still elegant and understated. It's a great paint colour for a kid's room with a tropical theme or a fun game room or even your bedroom. Combine it with reclaimed wood or off-white and charcoal accents.		home office	library					The actual shades may vary from that in the product image.
Green	3243		ETHEREAL	Coloured by a touch of yellow, this off-white hue introduces a subtle yet radiant glow to any room. Ethereal is a paint colour with an organic ivy undertone with an extra crispness in the matt finish that stops it from looking shiny – and keeps imperfections hidden. It is the perfect shade for a Mediterranean kitchen or for the main wall in your master bedroom. Pair it with off-white and contemporary furnishings with metals and glass finishes.		kitchen	bedroom					The actual shades may vary from that in the product image.
Green	3243		EURASIA	Elevated with a touch of blue, this ultra-rich emerald conveys a luxurious sense of style. Eurasia colour is a dazzling shade of marine aqua-green with a gorgeous deep-water undertone. This luscious green shade works beautifully in a dining room or living room as an overall or accent wall colour. Eurasia will also add vibrancy to a game room when combined with fresh yellows and vibrant pink hues.		dining room	living room	game room				The actual shades may vary from that in the product image.
Green	3243		EVAN'S DELIGHT	As vibrant as it is joyful, Evan's Delight is a peacock green shade that perfectly balances green and blue to bring some out-there optimism to your space. The crisp matt finish keeps things contemporary and helps smooth out imperfect surfaces for an even effect. A perfect colour for an accent wall in your bedroom. Use this paint colour on a staircase or a library and surround it with off-white painted walls. Pair Evan's Delight with graphic floral artwork for exciting accents.		bedroom	staircase	library				The actual shades may vary from that in the product image.
Green	3243		EVE	A green shade encompassing qualities of both; the darkness of brown and the tranquillity of green to give a shade that is easy to use. Eve is a mid-tone, shaded, grassy green with a foliage undertone. It is the perfect paint colour for a chic kitchen. Apply off-white painted trim and use natural woods as accent pieces in a historical-themed dining room or kitchen.		dining room	kitchen					The actual shades may vary from that in the product image.
Green	3243		EVENING STAR	A soft mid-tone, this neutral green offers endless versatility. This hazy hue is reminiscent of gentle morning rain. The coolest green, with the slightest hint of grey, Evening Star sits perfectly for a minimal look in a game room or a laundry room. It's particularly spectacular when used in a kitchen, or when paired with lighter shades of grey for an uncompromisingly modern finish.		game room	laundry room	kitchen				The actual shades may vary from that in the product image.
Green	3243		EVERGREEN EUCALYPTUS	This yellow-green shade of Evergreen Eucalyptus captures the distinctive hue of grape leaves. This mid green has a completely unique look that makes it a statement colour. Use the Evergreen Eucalyptus paint colour in a dining room, powder room, or bathroom for a bright and cheerful look. When paired with dark-toned wood, it also makes an excellent interior room colour.		dining room	powder room	bathroom				The actual shades may vary from that in the product image.
Green	3243		EVO GREEN	Evo Green is a spirited green sharpened with a touch of blue. This calm and muted shade is named after the ever-changing, subtle colour of creeping algae that ages stone so beautifully. Evo Green has a quiet and subtle feel to it. Use this paint colour in your home office or guest bedroom and highlight with darker charcoal furniture and accessories for an exciting feel.		home office	guest bedroom					The actual shades may vary from that in the product image.
Green	3243		FERNLEAF	A neutral yet atmospheric colour, Fernleaf brings a muted softness to any room, creating an easy to use finish that is neither too green nor too brown. Fernleaf has a hint of olive paint colour, which works well in the bedroom, bathroom, or as an overall open concept. Pair this paint colour with white painted trim and silver accents for a perfectly elegant atmosphere.		bedroom	bathroom					The actual shades may vary from that in the product image.
Green	3243		FIG LEAF	The colour that conjures up images of lush underwater landscapes. Fig Leaf is a warm muted yellow-green paint colour that works well as an overall room colour in a kids' room or nursery to give it a tropical feel. For an island vibe, pair it with off-white painted trim and plantation shades in your kitchen or spare room. For a more exciting look, combine Fig Leaf with rustic colours or a contemporary dusty violet-purple paint colour.		kids room	nursery	spare room	kitchen			The actual shades may vary from that in the product image.
Green	3243		FOGGY GREEN	Foggy Green is a soft khaki colour that is comforting yet stylish. This delightful colour makes any room come alive with healing nature. It also makes for the perfect kitchen base cabinet or island cabinet colour. Use Foggy Green in your master bedroom or bathroom and Pair it with warm reds and earthy tones of gold for a stunning decor.		kitchen	master bedroom	bathroom				The actual shades may vary from that in the product image.
Green	3243		FOREST SHADE	Choose this nature-inspired green for its earthy character and gently muted cast to bring the outdoors inside. Forest Shade is a subdued grassy green paint colour that works well as a bedroom or kitchen accent wall. For the surrounding walls, combine this shade with lighter minty greens. You can also use Forest Shade in a dramatic foyer and contrast it with wooden molded furniture and accessories for a dashing contrast.		bedroom	kitchen	foyer				The actual shades may vary from that in the product image.
Green	3243		FRAGRANT GREEN	Fragrant Green is a classic shade of green that always feels charmingly familiar and, creates a feeling of health and vigour. It has a rich, old-fashioned look in darker situations, but often feels much fresher and brighter in well-lit rooms. Its vivid colour makes it feel just as at home on contemporary kitchen cabinets, a game room or used in your laundry room. Bring in natural tones of browns to add more earthiness to Fragrant Green.		kitchen	game room	laundry room				The actual shades may vary from that in the product image.
Green	3243		FRAGRANT PEAR	The uncomplicated Fragrant Pear sits happily in both contemporary settings and period homes. It's light enough to take the place of a neutral, with the green for a character giving it a bright edge. Soft and gentle, this lovely colour is beautiful in a bedroom suite or nursery. Add pale pink and yellow accents with Fragrant Pear and trim with white to create intimate and enveloping rooms.		bedroom	nursery					The actual shades may vary from that in the product image.
Green	3243		FREEDOM	With its balance of gray, blue, and green tones, this beloved mid-tone evokes the comfortable, relaxed feeling of faded blue jeans and lazy summer days. Freedom is a great paint colour for a sweetly soft blue touch to a bedroom or nursery. Add to a bathroom or your reading nook for a soothing and restful appeal. Pair this colour with light charcoal or use it with deep-toned wooden antiques for a stunning setting.		bathroom	study room	reading room				The actual shades may vary from that in the product image.
Green	3243		FRESCA	Light and bright, Fresca is an eye-pleasing aqua shade that has an easygoing charm. It has a pale hue with blue-green undertones. This soft off-white paint colour with its hint of blue is sweet and gentle. For a quick and uplifting allure, use it as an overall room colour in a guest room or nursery. Fresca can also be used to add depth to darker blue tones.		guest room	nursery					The actual shades may vary from that in the product image.
Green	3243		FRESH BREATH	A versatile medium green softened with attractive blue-green undertones. Fresh Breath has a quintessential spa hue, that is both calming and invigorating. You can use it as an overall wall paint colour in your nursery or a guest bedroom when a bit of coolness is required. Add a bit of green zest with this rich minty shade or use white or off-white painted trim for a completed look.		nursery	guest bedroom					The actual shades may vary from that in the product image.
Green	3243		FRESH HYSSOP	Lightly muted, Fresh Hyssop offers unexpected sophistication. This shade is not your regular garden variety green, this one adds punch to your decor and brings the outdoors in. This delectable and sumptuous green paint colour is ideal for a charming bedroom, sitting room, or bathroom. Fresh Hyssop looks great against white or off-white painted trim. For a finished look, use a lighter version of this shade on the ceiling.		bedroom	living room	bathroom				The actual shades may vary from that in the product image.
Green	3243		FRESH LAWN	Fresh Lawn gives the impression of walking through a freshly cut grass lawn. It is the ideal partner for spaces that want to add colour without going over the top. This soft and luxurious jade paint colour looks great in a dining room or master bedroom when paired with magenta and deeper greens. Fresh Lawn should be paired with soft, glossy white.		dining room	bedroom					The actual shades may vary from that in the product image.
Green	3243		FRESH MINT	Light and pale, Fresh Mint feels like a breath of fresh garden air for your space. Bright as a springtime sky over a base of dandelion white and buttercup yellow, it's stripped back enough to stay stylish. Fresh Mint works equally well in a bedroom or bath and brings joy to any space. Use as a ceiling colour for an expansive feeling and pair the rest of the walls with white.		bedroom	bathroom					The actual shades may vary from that in the product image.
Green	3243		FULL CANOPY	Elevated with a touch of blue, this ultra-rich emerald conveys a luxurious sense of style. Full Canopy is a great paint colour to bring coolness and verve to any space. Make Full Canopy an accent wall paint colour in your kid's room or use it in a dining room as an overall paint colour to inspire healthy eating and restfulness. Pair it off with lighter tones of an aqua shade.		kids room	dining room					The actual shades may vary from that in the product image.
Green	3243		GARDEN GRASS	We took your classic mid-green, warmed it up, and mixed in a little bit of energising yellow. The result is a playful sage that'll lighten any space, in a smooth matt finish. The vibrant colour of Garden Grass will look sweet in a refreshing but not over-charged nursery. It also makes a statement in a tropical bedroom when paired with luscious coral tones.		nursery	bedroom					The actual shades may vary from that in the product image.
Green	3243		GARDEN LANDSCAPE	Garden Landscape is a slightly vibrant green that is all Mediterranean, with plenty of earthiness. The result is a rich, rewarding colour to add character to any space. A compassionate and natural green, you can use Garden Landscape to gracefully transform any space. Use in a kitchen or dining room for a happy, rich appeal. Contrast the tone with white painted trim and soft cream furnishings.		kitchen	dining room					The actual shades may vary from that in the product image.
Green	3243		GARDEN WALL	Garden Wall has long been one of the most grown-up greens in town. It might be dark, but it has a golden undercurrent that makes a room feel as though it's in the shade of someplace sun-drenched, with a matt finish that won't reflect unwanted shine. Complement the Garden Wall paint colour with natural woods and purple accents in your foyer or home office.		foyer	home office					The actual shades may vary from that in the product image.
Green	3243		GLASS ICE	Glass Ice is a pale green shade that is as refreshing as a cold glass of lime-scented water. It is the perfect shade for a bedroom or nursery. Any space is instantly buoyed up by Glass Ice. This paint colour is also lovely in a kitchen as a wall colour or as a cabinet colour paired with creamy white painted walls.		bedroom	nursery	kitchen				The actual shades may vary from that in the product image.
Green	3243		GODDESS	A captivating pine green that offers just the right amount of vibrancy. Goddess is a paint colour that has a vibrant hue with intriguing undertones. It captures a daring sense of style. Add freshness when painting a kitchen area or dining room by using this fresh green shade. Popular marble countertops refresh this space with grey and white pops that complement Goddess colour beautifully.		kitchen	dining room					The actual shades may vary from that in the product image.
Green	3243		GOLDEN OLIVE	Golden Olive is a culinary combination of dark greens and bright herbs. This colour will add natural flavour to your colour scheme. In a dining room or kitchen, this enlightening and inspiring olive green adds drama. Accent with corals and pink tones in this area. Use Golden Olive with dark-toned wood and brass accents. Also ideal for a game room, den, or library.		dining room	kitchen	game room	library			The actual shades may vary from that in the product image.

			GREAT ESCAPEADE	An enchanting dark green with a hint of teal that inspires thoughts of historic estates overgrown with ivy. Great Escapeade is a timeless hue full of depth and elegance. A perfect colour for a classic game room, this rich inspired green also adds drama and elegance to a dining room or accent wall colour used as a bedroom paint colour. Harmonize the Great Escapeade paint colour with earthy reds and rusts.															The actual shades may vary from that in the product image.	
Green	3243		GREAT ESCAPEADE		game room	dining room	bedroom													
Green	3243		GREAT EXPLORATION	Great Exploration is a lovely olive green paint colour which is a classic component of a Craftsman-style décor. This poised and elegant green was made using popular 18th-century pigments such as Prussian blue, yellow ochre, and lamp black. Great Exploration is perfect for a historical dining room or used as a kitchen base cabinet and island tone. Use as an overall exterior colour and trim with dusty plum for great curb appeal.																The actual shades may vary from that in the product image.
Green	3243		GRECIAN OLIVE	Grecian Olive is a dark, reassuring shade of green that imparts an Old World elegance to a space. For a dramatic and happy foyer, apply this mid-toned olive green to this area. Consider painting the staircase this delightful southern charm green for an even more dramatic appeal. Pair it off with deep-toned leather and contrast the surrounding walls by the use of lighter shades of this same colour.																The actual shades may vary from that in the product image.
Green	3243		GREEN APPLE	A lush yellow-green that captures the otherworldly hue of lichen. This delightful colour makes any room come alive with healing nature. Create drama in your kitchen, guest bedroom, or home office with this shade. Pair Green Apple with warm reds and earthy tones of gold for a stunning décor. Apply off-white painted trim and use natural woods for furniture as accent pieces.																The actual shades may vary from that in the product image.
Green	3243		GREEN BEADS	Green Beads is a sunlit green that can instantly brighten up and set a space at ease. It is reminiscent of summer vacations by the sea and feels calm and breezy. This elegant mid-toned yellow paint colour is perfect for the kitchen or dining room to enjoy cheery meals. Contrast Green Beads with deep charcoal walls in your room or light grey toned countertops.																The actual shades may vary from that in the product image.
Green	3243		GREEN DREAM	This turquoise blue is vibrant and saturated, evoking the beautiful scenery of the Caribbean. Green Dream exudes a spirit of wisdom and adds an elegant complex hue with hints of blue. This bright mid-toned green has a tropical appeal and looks great as an accent wall colour in any room. Green Dream can be used to create a vibrant bathroom colour scheme or a stunning front door or foyer when paired with lighter colours.																The actual shades may vary from that in the product image.
Green	3243		GREEN DROP	Green Drop is a balanced, easy-to-use blue-green with irresistible charm. It is a spirited shade that conveys a whimsical, carefree feeling. This mid-toned nature-inspired green paint colour is sweet and stunning. Exude a dreamy beach feeling in your living room, bedroom or work space with Green Drop. Add touches of pink paint colours and tones of peaches for a brighter visual appeal.																The actual shades may vary from that in the product image.
Green	3243		GREEN ENVY	While happy and lively on first glance, Green Envy retains a reassuring feel and underlying elegance when used in the home. A rich blend of pigments allows it to feel more vibrant teamed with lighter tones than with darks, and it takes on added vitality when combined with shades of red. A wink of bright blue gives this emerald hue a playful charm. Bring life into your homes by using Green Envy in your kid's bedroom, library, or workspace.																The actual shades may vary from that in the product image.
Green	3243		GREEN ESSENCE	This very light green grey evokes a place of swirling mists. Green Essence is a neutral yet atmospheric colour that brings a muted softness to any room, creating an easy-to-use finish that is neither too green nor too grey. Use Green Essence for a sweet and subtle bedroom or as an overall neutral colour in a nursery. Pair it with warm browns and golds.																The actual shades may vary from that in the product image.
Green	3243		GREEN EYES	A beautiful neutral colour for a modern feel, Green Eyes is a highly usable shade with a cool, chalky quality. It has both a playful and sophisticated side. Green Eyes makes for a delightful dining room colour for a sunny and uplifting summer feel. Use this paint colour when painting a kitchen or on all four walls in a bedroom or a spa-like bathroom and pair it with soft charcoal accents.																The actual shades may vary from that in the product image.
Green	3243		GREEN FLASH	A lime green illuminated with exuberant yellow undertones. Green Flash is a bright and lush shade that provokes a festive mood and is full of electric charm. For an energy-filled room, try this sparkling green in your living room, foyer, or game room and instantly elevate the mood. Pair Green Flash with lighter tans and darker browns for contrast. You can also consider reclaiming a piece of furniture with this happy shade of green.																The actual shades may vary from that in the product image.
Green	3243		GREEN GENIE	An eye-catching medium green with a fresh, cool cast. Green Genie brings a lively yet grounded feel to a space with a playful charm. It is an intense jade green further deepened with a trace of blue. It is a perfect paint colour for a game room or a bar for an outdoorsy look. Pair Green Genie with white and lighter shades of beige to add a tropical punch.																The actual shades may vary from that in the product image.
Green	3243		GREEN GLAZE	A shade of the sky that is as pleasing as a beachfront view. Green Glaze with its graceful shade of green drenches rooms in soft, silky colour. This mid-toned shade is an elegant restful hue, perfect for use as a bedroom paint colour, a kid's room, or even as the main wall in your living room. Pair Green Glaze with painted trim and white-washed wood accents in décor.																The actual shades may vary from that in the product image.
Green	3243		GREEN GLORY	Green Glory is a deep, leafy green that can anchor any room in sophistication. It is a fairytale shade of forest green which is full of shady warmth & comfort, right down to the moody black in its base. Green Glory is a deep, stunning colour that can be used in your home office, library, or games room. Pair it with deep-toned woods and crystal lighting.																The actual shades may vary from that in the product image.
Green	3243		GREEN GRAPE	A touch of whimsy is added to this light green colour by yellow undertones. Green Grape is a soft, warm shade that reminds us of the first buds of spring. This greyed green shade is a great choice for a bedroom paint colour or a guest room because it evokes the mystery of nature. Light cream is a soothing colour that would make an excellent companion.																The actual shades may vary from that in the product image.
Green	3243		GREEN HAZE	Soft yet spirited, this light green hue brings a dewy spring morning to mind. Green Haze imparts a stately elegance into any space, making one feel wrapped up in tranquility. Green Haze looks sweet in a bedroom or nursery and its muted tone adds a layer of restfulness. Pair it with dark wood furniture or flooring or choose honeyed woods.																The actual shades may vary from that in the product image.
Green	3243		GREEN HILLS	Evocative of the stem of a flower, this gently shaded sage anchors and uplifts. Being dappled with grey tones, Green Hills brings a sense of relief and calm to any space of your choice. Green Hills makes for an excellent overall colour in a master bedroom or a dining room. Add white painted trim, light, or deep-toned wood, and prepare to be rejuvenated.																The actual shades may vary from that in the product image.

It is a wonderful colour for a happy kitchen, bath, or laundry space. Green Valley also makes for a delightful dining room colour for a sunny and uplifting summer feel. Add deeper greens and dusty gold tones to smooth out the intensity of the room.																The actual shades may vary from that in the product image.
Green	3243		GREENERY	Refreshing and tart, Greenery is like the frozen scoop of tangy citrus ice cream that is the perfect ending to your day at the beach. Greenery is a saturated, muted, key lime green with a parrot green undertone. It is a perfect paint colour for a nature-inspired living space like a kid's room or a bathroom. Pair it with pops of pinks and oranges.																The actual shades may vary from that in the product image.
Green	3243		GREENWICH VILLAGE	An intense bluish-green reminiscent of the unearthly hues of a beach lagoon. A trace of blue lends a unique charm to this sprightly green that is Greenwich Village. This luscious green works beautifully in a dining room, living room, or bedroom as an overall or accent wall colour. Pair this colour with fresh yellows and lively hues of pink for a South-of-the-Border appeal.																The actual shades may vary from that in the product image.
Green	3243		GRILLED PEPPERS	Grilled Peppers is a tangy blend of aromas, captured at its most fragrant which spices things up with a bold, fresh bite. This is the kind of shade that brings drama to your space. A surprisingly rich colour to use in a foyer, this also works well in a dining room with off-white panelled trimming. Green Peppers also provides stunning support for deep-toned wood and vibrant art.																The actual shades may vary from that in the product image.
Green	3243		GROWING GREEN	Balanced between bold and soft, this appealing yellow-green adds a pop of fresh colour to any space. Equal amounts of lemon and lime come together in this bold shade that is Growing Green. This is a great paint colour to use on all five walls of your game room, kids' room, or living room. You can also consider using Growing Green inside a pantry for a bright and joyful feel. Pair it with black accents for contrasts and pops of pink highlights.																The actual shades may vary from that in the product image.

Green	3243	GUACAMOLE	Warm while being a little bright, this medium green is subtly evocative of vintage interiors. Guacamole is fun and flashy, with a lime green hue that epitomizes youthful exuberance. It is a perfect colour for a happy garden room, dining room, or even as the main wall in your living room. Pair it with golden tans and white for an extra lift.		garden room	dining room	living room		The actual shades may vary from that in the product image.
Green	3243	HAMPTON COURT	Hampton Court is a spirited mint brightened with blue undertones. This fresh, fashionable shade of green, a part of older times' revival colour palette, feels modern and sophisticated. Choose this paint colour for a restful bedroom or spa-like bath. This also makes a perfectly lovely ceiling colour to "raise the roof". Trim Hampton Court with off-white shades for a harmonious appeal.		bedroom	bathroom	ceiling		The actual shades may vary from that in the product image.
Green	3243	HERBAL GARDEN	A romantic blue-green that conjures watercolor skies. Herbal Garden is of a pastel shade that pulsates a breezy wash of gray which conjures pale driftwood. Herbal Green will look best in a calming nursery or for a warm feeling in a guest bedroom. Pair it with off-white and sand tone accents. You can use a lighter shade on the ceiling for a soothing ambience.		nursery	guest bedroom			The actual shades may vary from that in the product image.
Green	3243	HERBAL TEA	A darkened yellow-green reminiscent of a rain-soaked meadow in early fall. Just the right shade of green, with hints of yellow to lighten. A great colour for an accent wall or all-over colour in a quiet library, home office, or living room. Herbal Tea works excellently as a background for black and white prints. Pair Herbal Tea with warm-toned woods.		library	home office	living room		The actual shades may vary from that in the product image.
Green	3243	HILLS OF DARJEELING	A cool gray hue as serene as a lake's surface gently lapping at a pebbled beach. Hills of Darjeeling is a mid-tone, shaded, jade aqua-green with a dark gray undertone. This mid-tone green grey paint colour is an excellent choice to set the tone for a monochromatic look. Add deeper blue/gray and black accents for an elegant living room or bedroom.		living room	bedroom			The actual shades may vary from that in the product image.
Green	3243	HOT TEA	Opulent and a touch offbeat, this glamorous shade of green, a part of the colonial revival color palette, adds a layer of attention-getting style to any space. Hot Tea is a perfect colour for a garden-inspired home office or to spend time with your family in your living room, or kitchen area even more lively. Pair Hot Tea with deeper blue hues or charcoal trim.		home office	living room	kitchen		The actual shades may vary from that in the product image.
Green	3243	HULA	A crisp, spring green, reminiscent of fragrant fruit. Hula brings to mind lush gardens of springtime lilies, sprinkled with morning dew. This soft mid-toned shade is perfect for a lovely dining room or living room. Pair Hula with off-white and contemporary furnishing of metals and glass finishes.		dining room	living room			The actual shades may vary from that in the product image.
Green	3243	HUNTER GREEN	Reminiscent of a deep green plumage of a duck, Hunter Green is a wonderful reminder of the exquisite colours of nature. Strong but subdued, it offers a contemporary alternative to charcoal shades for modern homes and makes a warm and welcoming appeal. Hunter Green works beautifully in a game room, a bar, or a man-cave. Pair it with traditional club colors and supple leather furnishings.		game room	bar	man cave		The actual shades may vary from that in the product image.
Green	3243	HUNTLEY FIELDS	Huntley Fields is easy-to-use in all sorts of homes, creating rooms with an upbeat yet elegant atmosphere. This beautiful jewel tone makes an excellent addition to strong multi-coloured schemes, where it strikes a balance between being vibrant and soothing. It is a perfect colour for a dining room, den, or home office. You can pair Huntley Fields with supple leather furnishings.		dining room	den	home office		The actual shades may vary from that in the product image.
Green	3243	ICY MORN	Icy Morn has a balanced mix of blue and gray making for a hue that oozes tranquility. The paleness of this colour has a calming and refreshing feel, so is well suited to use in kitchens or dining rooms to create a contented family atmosphere. Often paired with a bright white to enhance its colour, Icy Morn can also be used on panelling to create a reassuringly historic look that seems as if it's always belonged.		kitchen	dining room			The actual shades may vary from that in the product image.
Green	3243	INDIAN OCEAN	A trend-perfect teal with a modern vibe, this upbeat shade is actually based on the period pigments Prussian blue and yellow ochre. The Indian Ocean is a lush hue that sits somewhere between jade and teal. It is the perfect colour for a lively foyer or a guest bedroom. Pair Indian Ocean with lighter muted aqua walls and ceiling for a restful night's sleep.		foyer	guest bedroom			The actual shades may vary from that in the product image.
Green	3243	INTRICATE WEAVE	Intricate Weave is a handsome hue that reveals depths of emerald and sapphire. It is a deep greenish teal cloaked in mysterious allure. This elegant green works well in a man-cave, game room, or home office. Use Intricate Weave as an accent wall colour along with warm rich golds and deep brown leathers.		man-cave	game room	home office		The actual shades may vary from that in the product image.
Green	3243	IRISH GREEN	Irish Green is a vibrant green buzzing with energy and confidence. Dark and rich, this shade brings a dignified quality to your choice of space. Irish Green is a dark, pure, key lime green with a parrot green undertone. It is a perfect paint colour for a dining area and kitchen, or a powder room or craft room to uplift creativity. Pair it with deeper greens and dusty gold tones.		dining room	kitchen	home office		The actual shades may vary from that in the product image.
Green	3243	IRISH SPRING	The surreal palette of the different kinds of grass inspires this unique shade of green. Confident strokes of green and yellow create a distinct and appealing colour. Irish Spring is a deep, pure, granny smith green with a grassy undertone. It is the perfect paint colour for a welcoming breakfast room or health-inspired kitchen. Pair it with reclaimed wood and copper countertops for an additional appeal.		dining room	kitchen			The actual shades may vary from that in the product image.
Green	3243	JADE LIME	Jade Lime is an electric shade of lime green that brings a playful jolt to any space. It oozes a rich, primal green that leaves a lasting impression. For a perky living space, this green adds panache to this area. Use it to brighten up your living room, foyer, or game room. Trim in white and various floral patterns in accessories.		living room	foyer	game room		The actual shades may vary from that in the product image.
Green	3243	JAMACIAN SEA	Lively and saturated, this aqua hue has an endearing sweetness. Jamacian Sea is a lush hue that sits somewhere between jade and teal and sets an optimistic tone. A lovely colour for a fresh and inspiring upliftment. Use this paint colour for a tropical feel on the ceiling of your bedroom or kitchen and pair it with white painted trim. You can also add accents of pink, magenta or coral.						The actual shades may vary from that in the product image.
Green	3243	JAPANESE TEA	Anchored in 18th-century tradition, the Japanese Tea paint colour was created to achieve a chalky, romantic atmosphere. A popular shade, this warm beige-like green has components of olive tones. It is an appropriate shade for an open kitchen or dining room and also works well for a neutral bathroom shade. Japanese Tea is a beautiful all-over interior paint colour that works splendidly with honeyed or dark woods.						The actual shades may vary from that in the product image.
Green	3243	JERICOHO JADE	Jericho Jade is a light, pulsating blue-green that immediately sets a fun tone and brings a quiet grace to the room. A lovely and historic colour for a bedroom or bathroom, this greenish blue shade looks stunning with off-white painted trim and grey-green painted furniture. You can also choose soft grey or mid-toned wood to complete the palette.						The actual shades may vary from that in the product image.
Green	3243	KASHMIR'S GREEN	Soft and luminous, this light pistachio green evokes the milky glaze of pottery. Kashmir's Green brings to mind a picture-perfect scenery of snow-clad mountains and green lush valleys. This beautiful mid-toned green with a kiss of blue would create a beautiful master bedroom or a stunning accent wall in your living room. You can add touches of corals and pastel pink paint colours for a youthful theme.						The actual shades may vary from that in the product image.
Green	3243	KELSEY	Kelsey is a soothing green paint colour with soft blue undertones. This versatile hue is as beautifully complex as polished sea glass and is both calming and invigorating. Kelsey adds a restful tone to use in a nursery or refreshing bathroom or guest bedroom. Pair this paint colour with off-white painted trim and add accents of coral and pink.						The actual shades may vary from that in the product image.
Green	3243	KEW GARDENS	Although rich and distinctive, Kew Gardens is a shade of golden tan and has an easy, organic quality that makes it a versatile choice for any style of home. It is a sophisticated yellow-gold with quiet apricot undertones. Kew Gardens is a favoured main colour to be used in a master or guest bedroom or library. It also pairs elegantly with plum and teal accents.						The actual shades may vary from that in the product image.
Green	3243	KIWI	A squeeze of lime invigorates this mellow green paint colour that has yellow undertones. Kiwi is a bright and luminous shade as rejuvenating as a beachside getaway. This shade can be used to create a beautiful living room or as a main wall in a bedroom. Add touches of corals and pastel pink paint colours for a youthful Hawaiian theme.						The actual shades may vary from that in the product image.
Green	3243	KOY	Koy is a delicate hue coloured by glints of mint green. A splash of blue sharpens this pale shade and emanates a cool green glow. A stunning neutral green shade, Koy is a great choice to bring in nature with an elegant angle. It is a happy colour for kitchen walls or in your master bedroom. Pair this paint colour with plum accents.						The actual shades may vary from that in the product image.
Green	3243	LAGUNA'S GREEN	Laguna's Green is a rich ivy green that imparts a strong sense of heritage. Traces of teal blue give this deep, dark green an enigmatic allure. This lovely complex green paint colour can be used on all four walls of a kid's bedroom or a living room. Pair Laguna's Green with a lighter shade on the ceiling for a soothing ambience.						The actual shades may vary from that in the product image.
Green	3243	LAKE SKATING	Lake Skating is a refreshing turquoise that perfectly captures the breezy, relaxing mood of a beachside escape. It is an effervescent aquamarine that inspires cheer and tranquility. This delightful shade is a great paint colour for a sweetly soft blue touch to a bedroom or nursery. You can also add Lake Skating to a bathroom or a meditation space for a soothing and restful appeal.						The actual shades may vary from that in the product image.
Green	3243	LAGUNA'S GREEN	Bright and splashed with blue, this emerald green has an unexpectedly playful side. Laguna's Green is a straightforward green that conjures fresh-cut grass. This lovely shade can be used on all four walls of a home office, reading nook or play area. Use a lighter shade on the remaining walls for a soothing ambience when pairing with Laguna's Green.						The actual shades may vary from that in the product image.
Green	3243	LANTERN GLOW	Lantern Glow is a decadent olive green with subtle golden undertones. It is an exotic yellow found in faraway spices that brings to mind the sights, sounds and smells of overflowing marketplace baskets. Lantern Glow is a great colour for interior spaces in need of a shot of nature like your dining room or bedroom. Pair it with muted orange, dusty purples or rebellious reds for a surprisingly appealing décor.						The actual shades may vary from that in the product image.
Green	3243	LAVISH LIME	Lavish Lime is an eye-catching shade of green with minty undertones that creates a convivial atmosphere. Soft and luxurious, Lavish Lime is a bright jade paint colour that is beautiful in a dining room, living room or bedroom when paired with magenta and deeper greens. You can trim with soft and glossy white hues to bring in a healing nature feel.						The actual shades may vary from that in the product image.
Green	3243	LE MER	Le Mer is a classic forest green that imparts a stately elegance into any space. Dark yet richly hued, this green is steeped in mysterious allure and mirrors the beguiling beauty of the Amazon rainforest. Le Mer works beautifully in a game room, a bar or also in a man cave. Accent it with traditional lighter colours and supple leather furnishings.						The actual shades may vary from that in the product image.
Green	3243	LEAF TINT	Evoking delicious limes and green apples, this saturated yellow-green is the perfect embodiment of sweet and sour. Leaf Tint gives off a very calm vibe and imparts a cool confidence. This gracious colour is a beautiful shade and makes an impactful statement on the main walls. Paint Leaf Tint on your bedroom or kitchen walls. Pair it with white painted trim for a clean look.						The actual shades may vary from that in the product image.
Green	3243	LEAFY SHADES	Leafy Shades is a deep pea green that conjures elegant silks, plush velvets and other sumptuous fabrics. It is also a sunlit green that can instantly brighten and set any space at ease. Light and neutral hushed jade, Leafy Shades is a colour that will look sweet in a nursery or guest bedroom. Pair this paint colour with off-white painted trim and pink or coral accents.						

Green	3243	LEEK LEAF	Leek Leaf is a muted yellow-green that mimics the toasty hue of roasted beans. It is a flavoured hue saturated with equal amounts of yellow and green. With a hint of olive paint colour, this great shade works well in the guest or master bedroom, bathroom or overall as an open concept. Pair Leaky Leaf with white painted trim and silver accents.						
Green	3243	LETTUCE	Lettuce is a pastel shade that pulsates with spirited green and blue tones. Giving off a fresh aura, this light green hue brings a playful spirit to any room. Lettuce being a delightfully neutral shade, this paint colour will wow any room with its subtle natural appeal. You can use it in a yoga room, meditation room, craft room, bedroom or nursery. You can pair it with slightly lighter shades.						
Green	3243	LIGHT CELERY	Light Celery is a pale, silvery green reminiscent of dewdrops glistening in the morning light. With a creamy and smooth texture, this shade instantly calms any room with its light yellow undertones. A bit of green with a hint of grey, Light Celery works well in a kitchen or craft space. You can also use it in a living room for subtle but natural light.						
Green	3243	LIGHT CITRUS	The paleness of Light Citrus has a calming feel, so is well suited to use in kitchens to create a contented family atmosphere. Often paired with a bright white to enhance its colour, it can also be used on panelling by pairing it with our darker green shades to create a reassuringly historic look that seems as if it's always belonged. Light Citrus is an enigmatic cream with a hint of green ideal for hallways and living rooms, showing off foliage to great effect.						
Green	3243	LIGHT GREEN SHOOT	Fervent and zealous beyond compare this passionate green shade is a hue of yellow and green, combined with the warmth of some brown shade, in order to give it that wonderful vintage feel. Light Green Shoot is a calming colour for home offices or rooms that need a balance of warmth and freshness. Use confidently for interiors and exteriors to offset your glorious foliage. Add in a pop of colour and white painted trim.						
Green	3243	LIGHT MOSS	Light Moss is part of our powerhouse shades, this passionate colour draws its strength from the world around us, with an earthy clay tone that warms - and calms - any room or colour combination. Still perfectly balanced, but brings in a softness that works well if you are going for a more natural or laid-back feel. Use Light Moss to make a stunning studio or background for a bedroom filled with art and lively colours. Pair it with gold accents.						
Green	3243	LIGHT VINES	A mellow, straw-like yellow-green, Light Vines is a spirited shade that conveys a whimsical, carefree feeling. A sandy colour with grey undertones, ready to grace your home as a stand-alone shade or simply to compliment darker tones. Use Light Vines in your guest bedroom or dining room to bring it more character. It also works well to showcase art and black-and-white prints.						
Green	3243	LIGHTHEARTED GREEN	Our Lighthearted Green represents new growth, youthfulness, and a love of nature. This is a bold pastel lime green, a rather spontaneous shade of green. Strong and verdant with a hint of zest, this fabulous green will bring something a little different to your space. Great colour for a bright and happy bathroom or laundry room. Pair it with off-white painted trim to tone down the volume of this vibrant colour. Lighthearted Green has a mature warmth and plenty of character.
